RECOMMENDATION:

Approve reappointment of Sean Minard, Engineer, to the District Hearing Board for the period of April 3, 2023 to April 3, 2026.

ALTERNATIVE:

Don't reappoint Hearing Board Member.

BACKGROUND:

The California Health and Safety Code section 40801 states that a hearing board shall consist of (a) one member admitted to the practice of law in this state. (c) One member from the medical profession whose specialized skills, training, or interest are in the fields of environmental medicine, community medicine, or occupational/toxicologic medicine. (d) Two public members.

Section 40802 states that if the district board, in the case of a district with a population of less than 750,000, is unable to appoint a person with the qualifications specified in Section 40801 who is willing and able to serve, and for that reason a vacancy exists on the hearing board, the district board may, in order to fill that vacancy, appoint any person to the hearing board.

DISCUSSION:

The open member reappointment would fall under section 40801 (b) a member who is a professional engineer. Mr. Minard's application is attached for Board consideration.

NUMBER OF YEARS AS A RESIDENT OF SUTTER OR YUBA COUNTY: 54

Briefly state why you are interested in being a member of the Hearing Board and how your background/experience relates to this position:

I have been on the hearing board for numerous years. Eventhough
there have been very few hearings over the last five (5)
years, I have enjoyed being on the hearing Board.

My background as a Civil Engineer and also attending
hearing board classes, I feel I would be an asset
to the board on the technical side. I also farm
about 750 acres of Rice in Yuba County so
understand farming practices and rules.
