Beale Air Force Base, CA 95903-1709

Re: Community Air Protection Grant Awards

Dear Christopher Kerth,

The application for electric vehicle charging infrastructure has been approved for funding in the amounts provided below. The project will be funded by the Community Air Protection Funds, allocated through Senate Bill (SB) 856 (Chapter 30, Statutes of 2018), which are Greenhouse Gas Reduction Funds from the California Cap-and-Trade Program. These funds are administered through the California Climate Investments (CCI) program. CCI is the overarching statewide program that puts Cap-and-Trade proceeds to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment – particularly in disadvantaged communities.

Location #	Description	Tentative Funding Amount
1	Global Hawk	\$25,911.72
2	Base Operations	\$54,460.07
3	Child Development	\$43,186.20
4	ISR	\$110,013.85
5	Civil Engineering	\$8,477.63
6	Base Legal	\$33,000.00
Total Tentative Funding		\$275,049.49

The project will be administered in accordance with the Carl Moyer 2017 Guidelines¹ in general and Chapter 10: Infrastructure specifically. A grant agreement has been prepared and is enclosed with this award letter. If you accept the tentative award amount and would like to participate in the Program, please sign both copies of the grant agreement and return them to our

office. If you have any questions please contact Sondra Spaethe, Planning and Engineering Supervisor, at (530) 634-7659 ext 210 or sspaethe@fragmd.org.

The District looks forward to working with you to improve air quality in Yuba and Sutter counties.

Regards,

Christopher Brown
