STATEMENT OF CANDIDATE FOR BOARD OF DIRECTORS, LEVEE DISTRICT ONE

BRIAN B. MURPHY

Education and Qualifications: My education is from Sacramento City College, Sacramento, and National Universities.

My fields of study were computer programming, business management, and information technology.

I am helpful.

In Sales I most recently at Walmart, where I would assist customers find whatever being looked for regardless of how obscure, and if we did not have it in our store, I would so my best to assist the customer to find that item on our website, or elsewhere. Using all resources available to me, I also learned a bit Spanish, and Russian to assist other employees and customers if needed.

I am thorough.

While working as a Civil Servant for the State of California reviewed documents, to ether approve or deny them. Upon approval I sent documents for further processing or to file. I also was a customer service representative with focus on assisting customers with particular issues depending on the agency I was at that time employed.

I am a quick study, and enjoy a challenge in my career.

s/ Brian B. Murphy
